38TH ST

40TH ST

42ND ST

Constraint: Steep approach slopes will make compliance with ADA guidelines difficult.

Opportunity: Install 8' wide concrete pad to make bus stop ADA compliant, and add shelter and other amenities. (Applies throughout)

Opportunity: Provide raised median island and RRFB or PHB to improve safety of existing crosswalk.

Opportunity: Consider wall and fence upgrade (from 42rd St to 40th St).

Constraint: High tension power lines are expensive to relocate.
